Re: Ashley Oaks Water System, Inc.

Dear Mr. Terreni,

I will not attend any hearing between myself and the Youngs' regarding the well and the easement located on lots 33 and 34 of Ashley Oaks subdivision. This matter is better handled through the Magistrate's Court or better between us personally. Both parties have spent too much money on attorney fees already.

Thank you for all your help.

Best Regards,

Michael D. Shelley, Sr.
President
